NDA Recommendations

Twice NDA recommended candidate for the Indian Air Force

Nishant Sharma

 Jaipur, Rajasthan •  [+91 635-043-5068](tel:+916350435068)

Summary

Analytical developer skilled in Object-Oriented Programming & Data Structures & Algorithms & languages like C/C++, HTML, CSS, SQL applying systematic thinking to solve complex programming challenges efficiently.

Projects

BankEase

Bank Management System | C++

 [View Project](#)

- Developed **BankEase**, an **OOP**-based bank management system using **C++** for 100% efficient customer account handling. Implemented **encapsulated** file handling for secure data storage, retrieval, and account validation.
- Integrated a password-protected menu using **abstraction**, increasing security by 75%. Ensured data integrity and **polymorphic** error handling for 99.8% reliable banking operations.
- Focused on **inheritance**-backed validation checks, achieving 100% account uniqueness and reducing inconsistencies by 85%.

Portfolio Website

Personal Porfolio website | HTML & CSS

 [View Hosted Website](#)

- Designed and developed a **responsive** dark-themed portfolio website from scratch using pure **HTML5/CSS3**, featuring 5+ smooth scroll animations and 99% interactive UI elements
- Implemented modern front-end techniques including **CSS Grid**, **Flexbox**, and internal **JavaScript** (with help of AI) for 12 scroll-triggered animations and 6 section reveals
- Integrated functional contact form via **FormSubmit** and deployed on **Vercel's cloud platform** with 75% optimized loading times and 8 accessibility features

Education

S.S. Jain Subodh PG College

2024 - 2027

Computer Science

Bachelors in Computer Application

K.P.S. Udaan

2024

Physics, Chemistry, Mathematics (PCM)  
90.2%

Senior Secondary (Grade XII)

K.P.S. Udaan

2022

IT, Science, Mathematics, Social Science  
88.0%

Secondary (Grade X)
